What does the sign say?

- Områdeskod = Parking area code.
 The code must be registred when parking via app.
- Taxa: avgift xx-xx = This indicates at what times parking fee must be paid, and the amount of the fee.

If the sign shows "Taxa: avgift 08-24 alla dagar" it means that parking fee must be paid everyday during the times given.

But in this case, the sign says that the parking fee must be paid between 08.00 - 24.00 weekdays, as well as on Saturdays (days before Sundays or public holidays).

From 8:00 AM to 6:00 PM the fee is SEK 20 the first two hours and thereafter SEK 35 per hour.

From 6:00 PM to midnight the fee is SEK 5 per hour.

EasyPark and Parkster are the apps that can be used when parking at our parking areas in Uppsala.
